MEET THE MEMOBOTTLE

Flat.
 Space-saving.
 Convenient.

The memobottle's unique and innovative design makes it easy to stay hydrated on the move.

The paper-inspired design allows it to sit flat against laptops, books and anything else you might carry.

OUR MISSION

Every memobottle provides 5 months of safe water access

The memobottle was designed to have a positive impact on the world. As a business, we aim to do our part as well.

Since 2014, the use of Memobottle products have diverted 200+ million single-use bottles from landfill.

We're also a certified B Corporation, and a proud partner of Water.org - our donations providing over 50 million days of safe water access for communities around the world.

Jonathan Byrt & Jesse Leeworthy
Co-Founders of Memobottle™

WHO ARE WE?

Creating a Reusable Lifestyle

Growing up in a small coastal town near Melbourne, Australia, we saw firsthand the devastating effect that single-use plastic water bottles are having on our oceans and environment.

We realized that to lead a social movement, and break society's reliance on single-use bottles, a truly convenient and beautiful alternative needed to be created.

We're working passionately to create the Reusable Lifestyle - an ecosystem of reusable products designed to reduce the world's reliance on single-use consumption, and offer improved life convenience.

“Memobottle reimagines the water bottle.”

“Memobottle: the answer to on-the-go water needs.”

Forbes

“Round water bottles are so last year!”

- memobento
- A3 Daily Tote

Original memobottle™

The flat water bottle
that started it all

SPECIFICATIONS

- Tritan™ Plastic (body)
- Stainless Steel (lid outer)
- BPA and BPS free plastic (lid inner)
- Food-grade silicone (seal)
- Boiling water and freezer safe
- Clean with warm water and either vinegar or detergent, or Bottle Cleaning Tablets

Original memobottle™

SLIM AND LIGHTWEIGHT

The Original memobottle is designed to go where other bottles can't. With a slim profile of just one inch, it effortlessly fits flat in your bag, backpack, or laptop case, ensuring easy hydration on the go.

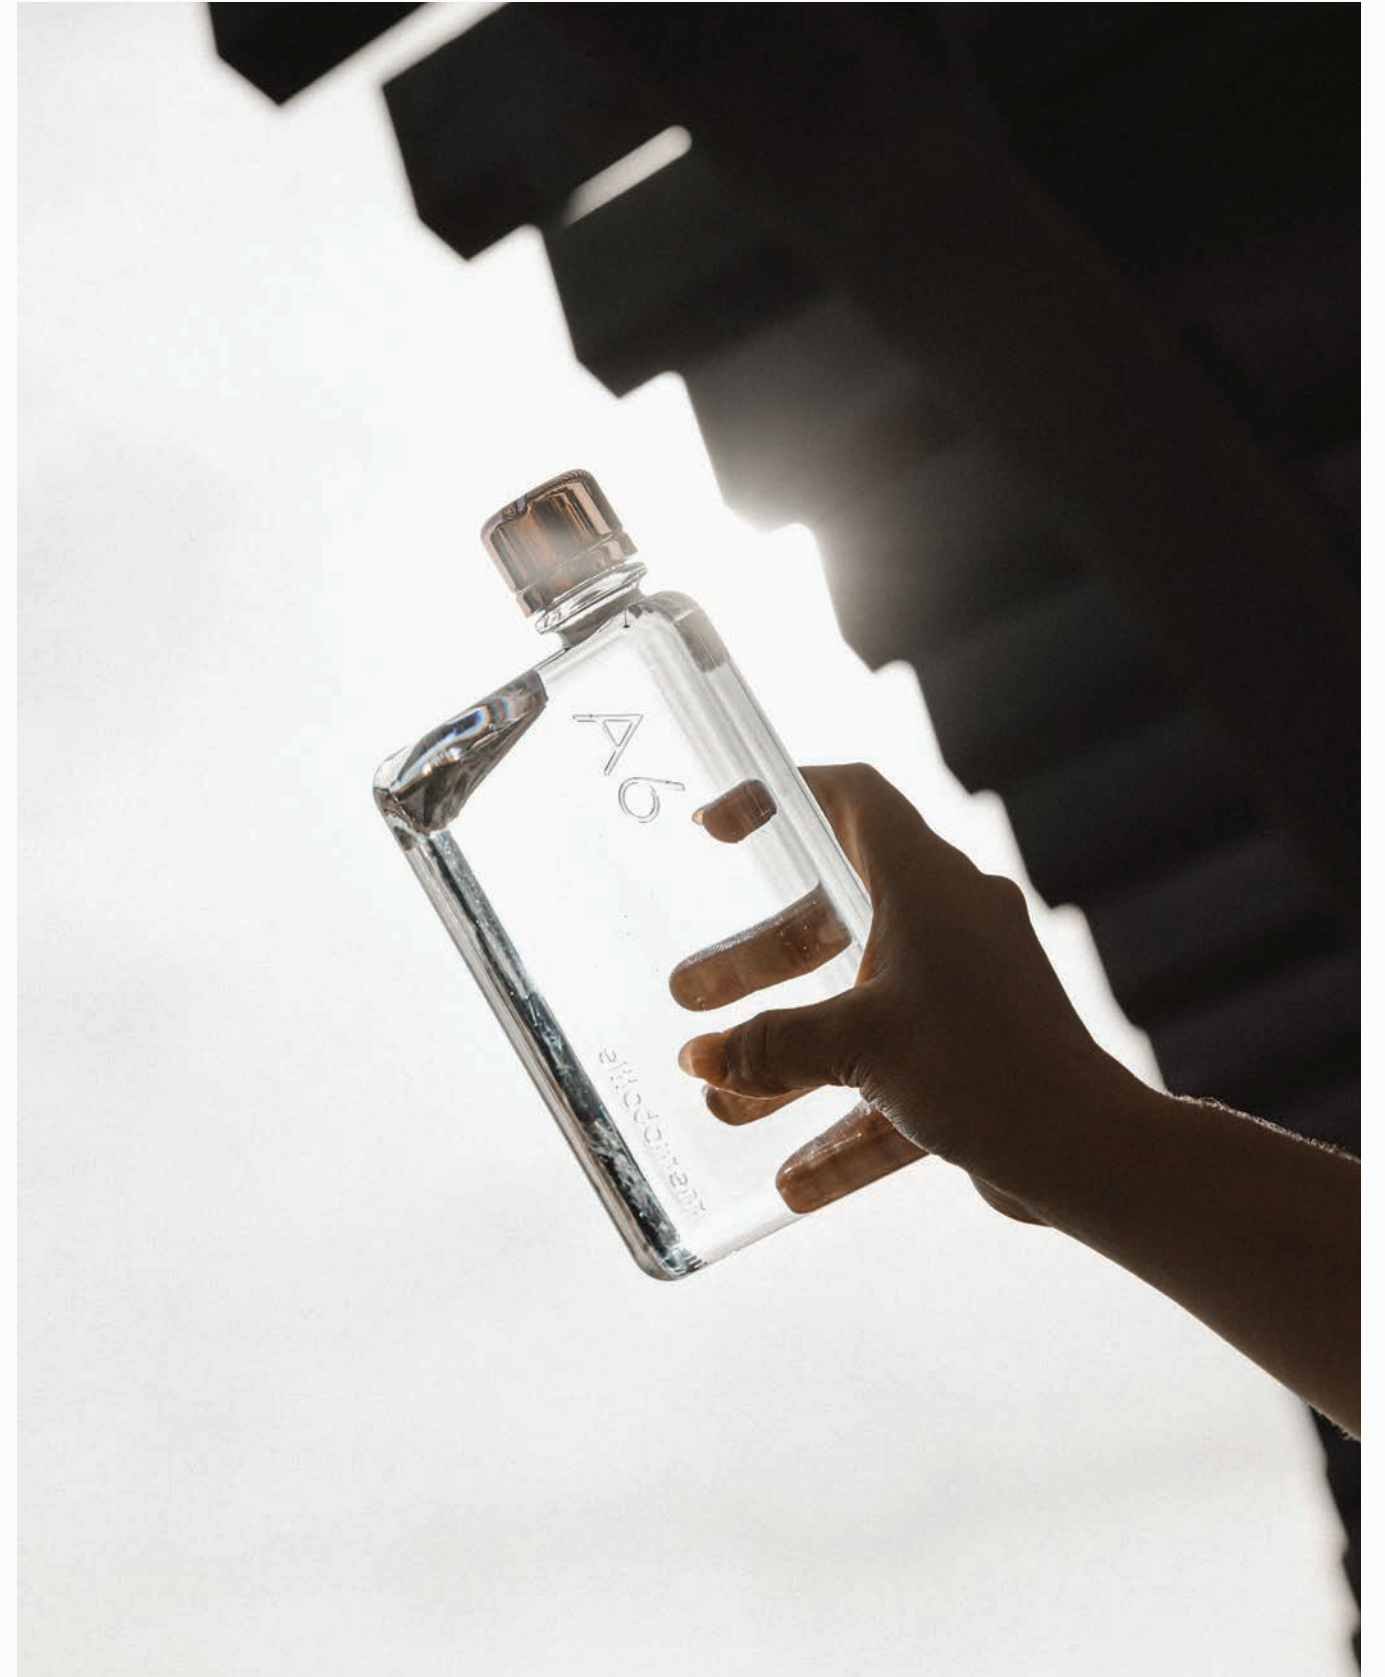

HEAD-TURNING HYDRATION

With its stunning transparency and unique design, the memobottle makes it exciting to carry water on the go. It's an everyday conversation starter that turns heads with every sip.

TRITAN™ PLASTIC

Glass-like clarity in a lightweight and shatter-resistant material. Crafted from Tritan™ Plastic, the Original memobottle offers exceptional durability and safety. Made to last, this BPA and BPS-free plastic bottle will be by your side for years to come.

Available A5, A6, A7 and Slim.

Original memobottle™ (Colored Range)

Matching from
head to toe

Original memobottle™ (Colored Range)

Add a splash of fun to your everyday with our colored memobottles. The Original memobottle is now available pre-packaged with a matching Silicone Sleeve and Lid, across all sizes.

PROTECT AND PERSONALIZE

The Silicone Sleeve adds a splash of personality to the memobottle, while protecting it from life's bumps and bruises.

DRESS FROM THE BOTTLE UP

Color coordinate your style all the way down to your water bottle. With a wide variety of colors to choose from, there's a memobottle to complement any look.

Available in A5, A6, A7 and Slim – in a wide variety of colors.

SPECIFICATIONS

- Food grade silicone
- Dust resistant finish
- Thermal Insulation
- Scratch and Drop Protection
- Dust Resistant Coating
- Food Safe Silicone
- Hand Wash only

Stainless Steel memobottle™

Flat like paper.
Strong as steel.

Stainless Steel memobottle™

DURABLE AND ELEGANT

Crafted from Stainless Steel and featuring a scratch resistant and satin textured powdercoat, this daily companion is built to withstand whatever life throws at you for years to come.

FAST-FLOW DESIGN

The best-in-class mouthpiece is designed for easy filling, and fast hydration. With a generous inch-wide opening, this unique design offers a big step-up on conventional flask openings.

INTERNAL THREAD

The mouthpiece features an innovative internal screw thread, offering a luxuriously smooth drinking experience, and ultra-minimal appearance. It also keeps the drinking surface covered when not in use, ensuring it stays clean at all times.

Available in A5, A6, A7 and Slim.

SPECIFICATIONS

- 304 Stainless Steel (body, lid outer)
- BPA and BPS free plastic (lid inner)
- Food-grade silicone (seal)
- Boiling water and freezer safe
- Clean with warm water and either vinegar or detergent, or Bottle Cleaning Tablets

Universal Desk Stand

Let your favorite
memobottle stand
tall and proud

Universal Desk Stand

Your memobottle deserves to be in the spotlight. A sleek addition to your home or office, the Universal Desk Stand will display your memobottle tall and proud on any flat surface.

FEATURES

- ▬ Doubles as a great retail display
- ▬ Durable powder-coated steel
- ▬ Fits the entire Original memobottle, Silicone Sleeve, and Stainless Steel memobottle range

Available in Black and White.

Silicone Sleeves

Add a splash of personality and protection

Add a splash of personality to your memobottle while protecting it from life's little bumps and bruises.

With a smooth matte finish and added thermal insulation, they are the perfect example of form meets function.

FEATURES

- Thermal Insulation
- Scratch and Drop Protection
- Dust Resistant Coating
- Food Safe Silicone
- Hand Wash only

Only compatible with the Original memobottle range.

Available in A5, A6, A7 and Slim – in a wide variety of colors.

memobottle™ Lids

Top off your memobottle with a little bling or a touch of color

Twist and shout – memobottle Lids are constructed with durable and dependable silicone seals and high quality stainless steel.

The leak-proof design means you can enjoy peace of mind when placing your memobottle among your valuables.

FEATURES

- Leak-Proof Design
- Durable Silicone Seal

Only compatible with the Original memobottle range.

Available in a wide range of colors and finishes.

Bottle Cleaning Tablets

Deep clean your memobottle - no scrubbing required

Your one drop stop to a sparkling clean memobottle.

The special formulation is designed to tackle tough stains and odors, with minimal ecological impact and no scrubbing required.

FEATURES

- Plant-based active ingredients
- Ammonia, chlorine, and phosphate free
- Fragrance free
- Environmentally safe and not harmful to aquatic environments
- Compatible with both the Stainless Steel memobottle and Original memobottle range, as well as most water bottles
- We recommend deep cleaning your bottle at least once per month

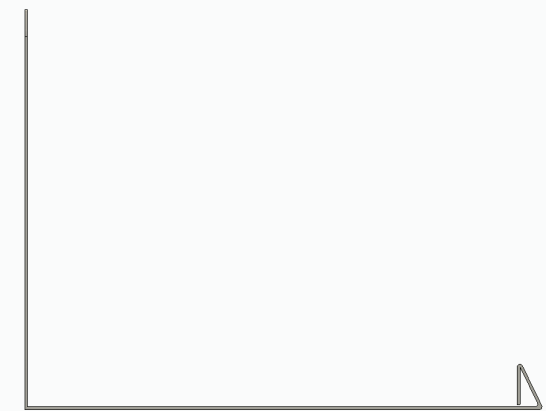

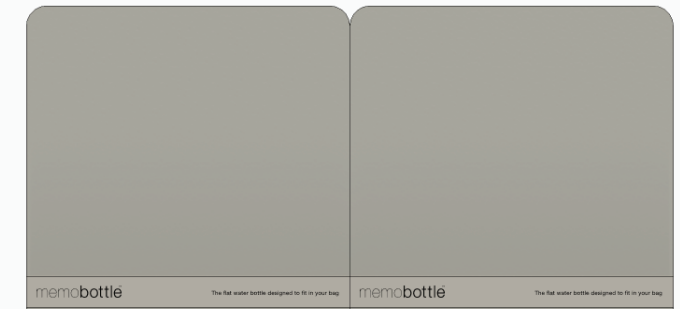

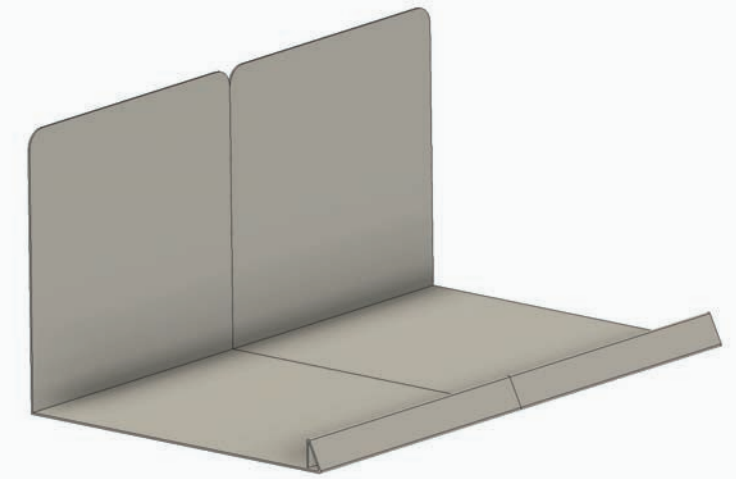

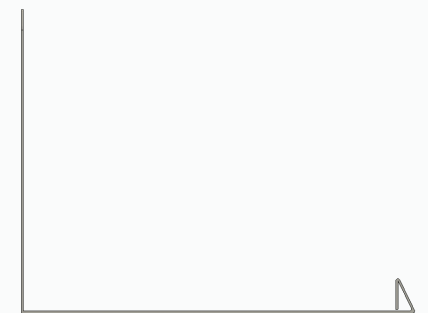

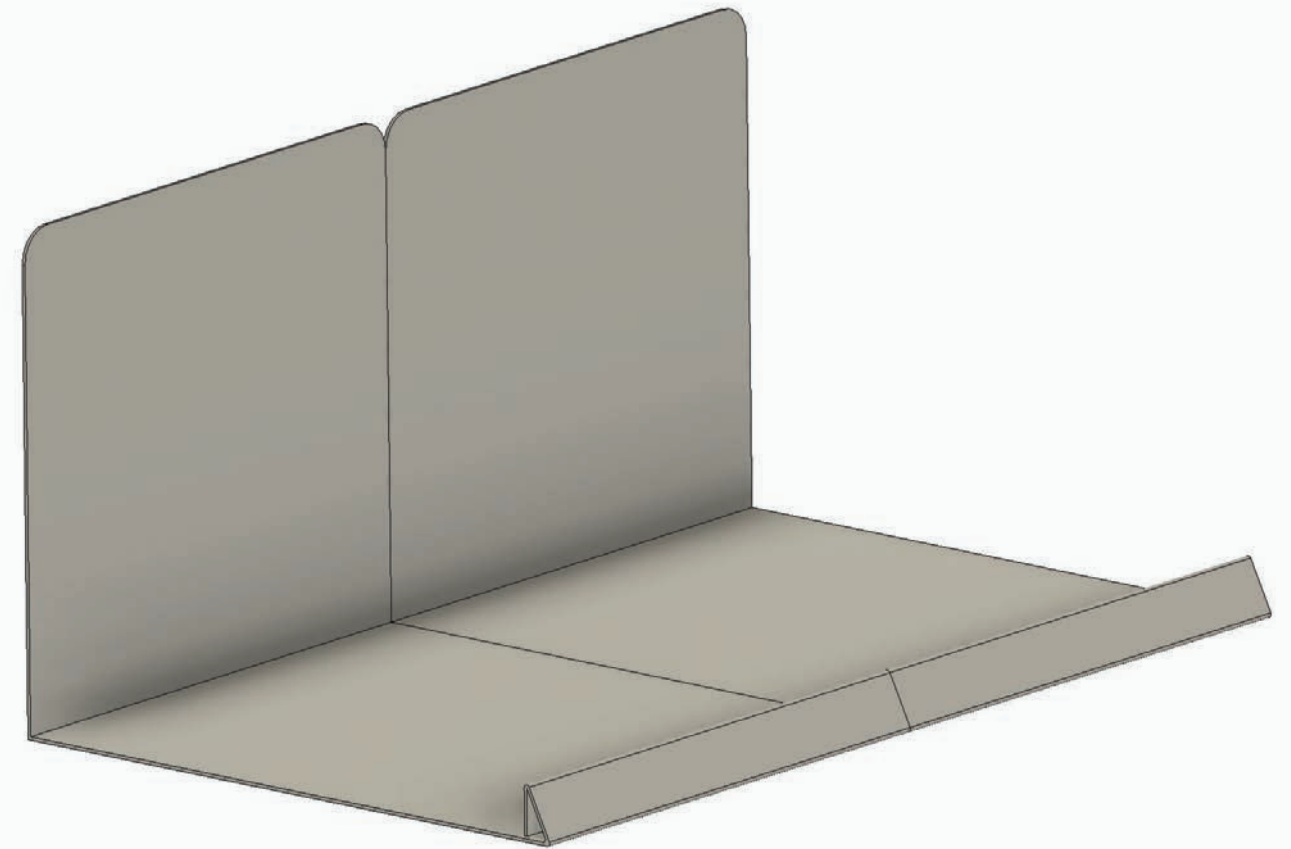

Retail Display

Designed to fit conveniently in your bag – and store.

The memobottle collection can be displayed using our range of in-store display options.

memobento™

Arriving mid 2025

memobento™

Meet the 2-in-1 lunchbox and container system that allows you to pack all your lunches for the week – with just one lunchbox.

With swappable Bento Containers, you're able to prep lunches in advance, swap in your next meal in seconds, and clean when it suits you.

By removing the need to wash and pack your lunchboxes in between every use, memobento promises to make packed lunches easier and more enjoyable than ever.

Available as B5 memobento and B5 memobento Lite

B5 memobento Lite

B5 memobento

Bento Containers

Stackable and swappable silicone containers for your memobento.

Get creative and bake meals directly in your Bento Containers, freeze meals in bulk for future consumption, and color code your lunches to stay organized.

Available in 3 colors and 3 configurations

FEATURES

- Oven and microwave proof
- Fridge and freezer friendly
- Food-safe silicone
- BPA-free Tritan Plastic lid (remove before using in oven and microwave)
- Stackable, easy to clean, and stain resistant
- Compatible with both the B5 memobento and B5 memobento Lite

B5 memobento™

Includes a Bento Container and Stainless Steel outer shell

Sleek, sturdy, and serving up an extraordinary lunch experience.

The unique triple-wall design provides insulation to keep meals cold during commutes, prevents condensation, and leak resistance.

FEATURES

- 304 Stainless Steel
- Triple wall insulated base
- Leak resistant
- Condensation proof
- Dishwasher safe

B5 memobento™ Lite

Includes a Bento Container and plastic outer shell

Lightweight and made to be seen.

Featuring a translucent plastic outer, the B5 memobento Lite is an eye-catching lunchbox for those who prefer traveling a little lighter.

FEATURES

- Translucent plastic
- Ultra lightweight
- Double wall insulated
- Dishwasher safe

A3 Daily Tote

Flat pack your
everyday carry

A3 Daily Tote
